WARNING

This service information is designed for experienced repair technicians only and is not designed for use by the general public. It does not contain warnings or cautions to advise non-technical individuals of potential dangers in attempting to service a product. Products powered by electricity should be serviced or repaired only by experienced professional technicians. Any attempt to service or repair the product or products dealt with in this service information by anyone else could result in serious injury or death.

Panasonic

1. CHANGES

1.1. MAC Address LABEL

When PCB1 changes, you will take MAC Address LABEL in a plastic bag of PCB1 and attach it on the place where the previous MAC Address LABEL were attached in a CABINET COVER, #23. The previous PCB1 shall not be used after changing to the new one.
